

# STILL ON THE THRONE

BY ANDREW FINDEN

Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need. (Hebrews 4:16 ESV)

## Verse 1:

Am F C  
When the sting of death is aching in my lungs  
Am F C  
When the shadow of that valley seems so long  
Am F C  
When the hymn of joy has faded from my tongue  
Am G F  
I will look to you and you will be my song

|Am G |F

When the morning feels like dawn will never break  
When I long to feel the sunlight on my face  
When I'm crushed beneath the weight of my mistakes  
I will find my rest in your unfading grace

## Chorus:

G Am  
For I know  
F Gsus G  
You are still on the throne  
G/B Am  
And you reign  
F C C/B  
With righteousness & justice  
Am F  
Jesus, forever  
C G  
You are the saviour  
F G Am F |C |Am G|F  
You alone.

## Verse 2:

See the Son of God be marred and lifted high  
As the darkness of that moment filled the sky  
'It is finished', hear the Saviour's final cry  
As he breathed his dying breath and gave his life.  
  
But the pow'r of sin will not have final say  
For the Son of God is risen from the grave  
Now the curse has been undone, the price is paid  
Hallelujah to the risen one who saves!

## Bridge:

C F  
Death, where is your sting?  
C G  
Sin, where is your victory?  
C F  
Christ has overcome!  
Am G  
He is risen, he has won!
